1. Look in your local newspaper for upcoming yard sales. How many are planned for the upcoming weekend?
2. Have you ever attended a yard sale? If so, what did you purchase?
3. If you were going to have a yard sale, what items would you sell? What would you do with your profit?
4. Dad said Woody had to save 10% of every paycheck, give 10% to charity, and could keep the rest. Let's pretend Woody had a yard sale and made \$30.00. How much would Woody put in savings? How much would Woody give to charity? How much could Woody spend?
5. If you were donating money to charity, which charity would you choose? Email Woody at woody@thewoodybooks.com and tell him which charity you chose and why.
6. Woody was confused about the Civil War. While you're emailing him about a charity, please provide Woody with any details you know about the Civil War.
7. Finally, before you hit "send", make a prediction about what the pups bought at Mr. Martin's yard sale!
8. Make sure you cut out Chapter 1 and paste it in your scrapbook. Don't have a scrapbook? Contact your local newspaper.
9. Visit Woody's online doghouse at www.thewoodybooks.com or www.kypress.com to listen to Woody read each chapter!
