1. Woody used his *Sherlock Bone's Detective Kit* to investigate the robbery. What kind of items would be in a detective kit? What are some ways detectives could solve the crime?
2. Using his laptop, Dad informed the family there were 11 battles fought in Kentucky. Do some research of your own and list all 11 battles. Which battle site is the closest to where you live now?
3. Using an atlas, find Richmond, Lexington, and Frankfort on the map. How many miles separate Richmond and Lexington? Richmond and Frankfort? How many miles separate Lexington and your home?
4. While you have the map open, find Perryville. What county is Perryville in? Name 2 counties that border that county.
5. At the end of the chapter, Bark tells Woody the band has a huge problem. Email Woody at woody@thewoodybooks.com and tell him what you think the problem is. If you have any solutions to that problem, make sure you tell Woody that too!
6. Make sure you cut out Chapter 9 and paste it in your scrapbook. If you don't have a scrapbook, email Woody and request one.
7. Visit Woody's online doghouse at www.thewoodybooks.com or www.kypress.com to listen to Woody read each chapter!
